

Enemy lyrics - Zack Knight

Kiven bhul jaavan das de
Tere naal jo guzre din
Hun te naiyo langdiyan raatan
Chain nu hun tere bin

Ik wari aaja sajna
Ghar phera paa jaa
Bin tere marr na jaavan
Mukh te dikhla jaa

Jaaniya.. go ahead and leave
It won't make a difference
Jaaniya.. cause I can wait for you to see
With me you was different

Sure we have to leave
It won't make a difference
** wait for you to see
That me and you is different

Cause I want to know...
Was it for real
Was it just me
In love with the enemy

Akhiyan tenu labhdiyan ne
Kihnu dil da haal sunavan
Lag ja mere seene naal
Tenu main kol bulavan

Dil tukda ae teriyan raahvan
Te na satavaan (x2)

Zeher-e-hijr da main ta
Tu mere naal

Jaaniya.. go ahead and leave
It won't make a difference
Jaaniya.. cause I can wait for you to see
That me and you is different

Cause I want to know...
Was it for real
Was it just me
In love with the enemy

You know you may stop
I can see that pain in your eyes
Cause he can't love you like I would
And we both know I'm right

So when you climbin' his bed
Girl you wish it was me instead this bed

Jaaniya.. go ahead and leave
It won't make a difference
Jaaniya.. cause I can wait for you to see
That me and you is different

Cause I want to know...
Was it for real
Was it just me
In love with the enemy

Go ahead and leave
It won't make a difference
Cause I can wait for you to see
With me you was different

Now that you're gone gone... let me know
Was it for real
Was it just me
In love with the enemy

In love with the enemy
