

Mann hai rogi tera jogi
Tere dar pe hai aa ke khada
Ye na jaane apni manzil
Hai safar bhi ye mushkil bada

Rasta mera konsa hai bata de
Jispe mile tu woh rasta de
Yun darbadar ab kahan phirun main
Ye sar jhuke sajde mein girun main

O khuda sun khuda
Tu kahan hai bata de na
Sun khuda O khuda
Mujhko apna pata de na

Mann ko ghare hain andhere
Ghum ke badal hain chaye hue
Khud hain zaalim tere bande
Zulm khud pe hain dhaye hue

Rakhle bharam tu hi aasra de
Karde karam roshni dikha de
Bande tere dhoondte hain panahein
Apni zara karde idhar nigahein

O khuda sun khuda
Tu kahan hai bata de na
Sun khuda O khuda
Mujhko apna pata de na

Aa...

Jogi...jogi...

Karde karam maula

Aa karde karam maula...aa...
