

Main Aur Tum lyrics - Zack Knight

Dard dilon ke kam ho jaate
Main aur tum agar hum ho jaate
Main aur tum agar hum ho jaate

Don't play you well can't you see it
How everyone knows about you and me
Jaane kyun itni haseen hai
You're breaking my heart in them skinny jeans

Now we don't leave like to bring a lot of away
Pocket full of love can't just wait and see
How could we be losin' if we winning it
So stay right here and don't let go

Dil tod na mainu apna le you already know..
Duniya de ghaman nu bhula ke
Main aur tum gar hum ho jaate
Main aur tum gar hum ho jaate

Lets turn this around make it easy
How long we gonna be creapin' in and out house
Hum dono ki yahi taqdeer hai
There never be unless we don't do is now

Now we don't leave like to bring a lot away
Pocket full of love can't just wait and see
How could we be losin' if we winning it
Stay right here and don't let go

Dil tod na mainu apna le you already know
Duniya de ghaman nu bhula ke
Main aur tum gar hum ho jaate
Main aur tum gar hum ho jaate

I know you'll wait for me girl

Don't know how long we got
But we'll make it work
You let me wants to love me * it hurts
Love me, love me tonight, love me tonight
Cause you're made to be loved
There are many signs you're my angel on earth
You'll let be wants to gets me twice still it burns
Love me, love me tonight, love me tonight

Girl..

Dil tod na mainu apna le you already know
Duniya di gham nu ko bhula ke
Main aur tum gar hum ho jaate
Main aur tum gar hum ho jaate
Door woh saare bharam ho jaate
Main aur tum gar hum ho jaate

We were united, united we stay
Yeah I would be simple
Girl if you would be mine
Kitne hasen aalam ho jaate
Main aur tum gar hum ho jaate
Main aur tum gar hum ho jaate

Main aur tum gar hum ho jaate
