

Jaane kyon lagta hai yoon koyi hai mere ru-ba-ru
Main dekhon jahaan nazar na aaye
Tu hai kahaan koyi
Mujhe yeh bataaye
Kaisa dil pe waar kiya re
Chheena mujh se mora jiya re
Jeete jeete maar diya re

Sammi meri waar main waari
Main waariyaan ni Sammiye (x2)

Ho.. Gilli gilli banni e ni Sammiye
Gilli gilli banni e ni Sammiye
Pair sambhal ke utaaariye ni Sammiye
Pair sambhal ke utaaariye ni Sammiye

Sammi meri waar main waari
Main waariyaan ni Sammiye (x2)

Ik taara main akela
Geet tu hai albela
Jab milein to dhol baaje dhamaadam
Apna jeevan ik samandar
Tu hai seepi uske andar
Aur moti jagmagaaen chamaacham

Kaisa dil pe waar kiya re
Chheena mujh se mora jiya re
Jeete jeete maar diya re, o...

Sammi meri waar main waari
Main waariyaan ni Sammiye (x2)

Sammi meri waar main waari (x5)

waariyaan ni Sammiye (x6)

Sammi meri waar (x8)

Sammi meri waar main waari
Main waariyaan ni Sammiye (x2)

Sammi meri waar (x8)
