

Jina main manawan oh rusda hi jaave
Hasna main chawan ohna oh ruwave
Kina zyada ohnu ishq karan main
Dil mera oh kive samjhawe

Tutda hi jaave, tutda hi jaave
Tutte huye dil nu kaun dhadkaave
Jinna vi main dil nu roka
Lakh vari ae nu tokkan
Jaave bas ohde hi wal

Ohdiyan raahan vich khoya
Saambh saambh baitha hoye
Ohdiyan hi yaadan wale pal
Pal pal doori bada hi ruwave

Saah ohde baajon laya vi na jave
Kinna zyaada ohnu ishq karan main
Dil mera oh kive samjhawe
Tutda hi jaave, tutda hi jave
Tute huye dil nu kaun dhadkaave

Karda duaawan main taan
Ohnu mil jaawan main taan
Mit jaane mere saare gham
Ohde bin jaiye marde
Ohnu mere naam karde

Rabba tethon aiyo bas kam
Dhadkan meri tarle je paave
Jind kalli kalli badi ghabrave
Kinna zyada ohnu ishq karaan main

Dil mera oh kive samjhawe
Tutda hi jaave, tutda hi jave

Tute huye dil nu kaun dhadkaave
